LOVE STINKS COLLECTION & CHARITIES INFORMATION

Thank-you for making a Stink for Love! Over the next two weeks we are asking you to collect money on your Love Stinks pledge sheet. Ask your potential partner to sponsor you and you'll wear your Love Stinks T-Shirt 5 days in a row. Please let the sponsor know that you will not be washing this shirt and the money raised will be going to support the **Brockville & Area Food Bank**.

Begun in 1985 by area churches, **Brockville & Area Food Bank** is a registered charity whose volunteers assist those in Brockville and the surrounding areas from Mallorytown to Maitland to secure food. The food Bank serves clients year-round, so they truly count on donations from the people of Brockville and area 12 months of the year to keep shelves stocked. Every item and dollar helps. Cash donations allow Brockville & Area Food Bank to purchase exactly what they need at the time and to purchase items in bulk at reduced cost.

We need to support the Brockville & Area Food Bank. We need your help to make a Stink For Love!

FACTS

~ Worldwide almost 1 Billion people do not have enough food in a day to be healthy! In a global context, that means that one person in every 8 are starving.

~ In Brockville the Brockville & Area Food Bank gave food out to 16,395 families and the need continues to grow. Your Support make a tangible difference for the community. Thank-you!

Also this would be a good time to share the other charities you will be affecting in the Five Day Love Challenge. All **donations over \$25.00 are income tax receipted** and any amount below \$25.00 can be receipted upon request.

Don't forget to fill out the "Love Challenges Check List" below on the your Love Stinks Sponsor Form. This helps us track the impact we made together in the community. Let's see how big of a Stink for Love we can make!
